18th January 2017

Dear Parents

Library Visit

The children in class 2, 3 and 4 had a wonderful time at Grantham Library today and came back with books to enjoy reading at home. We hope that they will be able to visit again and make use of this valuable resource.

Website

The school website is undergoing its final checks and should be live by the weekend. We have a range of information and resources that we hope you will find useful. Please let us know what you think.

Social Media

We have created a school Facebook page which will also be going live this week. We would like to use this to share the wonderful things we do as a school, including some images that may contain children. This will require social media permission from parents. Please complete the new consent form and return it to the school by the end of this week, so that we can ensure that this site is fully functional.

Uniform

If your child needs any new uniform, please see Mrs Johnson this week, so she can add your requirements to the order.
