

## Homework, including Roman brain builder activities Spring Term Class 3

Every 2 weeks, pupils must complete one of the tasks below in their brain builder books. The first one should be handed in on Monday 16<sup>th</sup> January 2017. To ensure that momentum is maintained with this topic based brain builder, each task will have a value in points. These points will be added together and at the end of the term, we will have a presentation for the top 2 highest scores. We have an array of Roman books in school, please ask permission if you wish to borrow one of these for your homework. Evidence of a task must be brought in every week on Monday to monitor your progress. The weekly spelling and maths based homework will be given out on Tuesdays as normal and children will be expected to complete a reading comprehension each week too.

As always, please ask if you need any support or required school resources for any of the activities.
