

Week 1: September 5th 2017

Hello and welcome to Dudley House Foundation Stage Class news letter.

We welcome Mrs Plaatjes to our class who will be with us in the mornings. You will receive a letter like this each Friday which will keep you up to date with all that is happening in our class and school.

What are we learning this week?

This term we are we will be supporting the children's learning through teaching and learning activities based around Harvest Colours.

This week we will be reading the book "Brown bear. Brown bear what do you see? We will also be reading stories about starting school. The children will also be classifying and counting and taking turns in their play.

Activities around the classroom and outside area will be designed to familiarise the new children with their environment and classroom routines will be beginning to be established. Mrs Beckett and Mrs Plaatjes will be spending time getting to know the children and finding out what they can do and what we they need to learn next.

The door is always open should you need to chat. Just have a word with Mrs Beckett.

If your child is new to the class we really hope that they settle in well and that they enjoy their time at Dudley House School. Its good to see original members of the class back and we hope all of the children have had a really good holiday.

This week is internet safety week and the children will be shown a story, telling them not to use the internet unless they have an adult they know with them. They will also be told not to share any personal information.

We will not be swimming this Friday.

On Friday your child will bring home a story book which you will be able to read to them, please make sure it comes back to school each Friday so it can be changed for a new one.

Dates for you diary

Harvest Festival is on Wednesday October 4th at 8.50am.
