Newsletter 19th April 2017

Dear Parents

We hope you have all had a pleasant Easter break and have had the opportunity to relax and enjoy some family time in the lovely weather we have had. The children certainly seem to have had a very enjoyable holiday and it is good to see them all again.

Staff news

Mrs Beckett will be teaching class 3 this week while Miss White deals with a tragic family situation and Mrs Sheppard will be providing support in class 1. Miss White is planning to return to school next week. In the meantime, please remember her and her family in your prayers.

Diary Dates

We are looking forward to a really enjoyable term ahead with lots of exciting learning opportunities for the children. Please see the list of diary dates at the end of the letter to help you with your planning. (These are also available on the school website and reception notice board.) We will let you know as and when other dates are confirmed.

Tri Golf – Thursday 20th April

We have a golf professional coming tomorrow afternoon to teach the children in KS2 some tri-golf skills, which they hopefully will be able to use in a tournament later in the term.

Legacy Tour – Thursday 27th April

The children will be taking part in the Inspire+ Legacy Tour. During the day they will also complete the mile challenge. The following day our ambassadors will be visiting Little Gonerby School to present part of the assembly and pass on the challenge.

Uniform

Over the next couple of weeks while it is still cool children can wear their winter uniform instead of their summer dress if they wish.

If your child has outgrown or needs a new summer dress or any other item of uniform, please see Mrs Johnson.

Please can you ensure that all your children's clothing and belongings are clearly named, as it makes returning them to the rightful owner very difficult without.

PE Kit

During the summer term we sometimes need to switch PE days. Therefore, children need to have their PE kit and plimsolls/ trainers in school each day. Please check that your child's trainers or plimsolls still fit.

Drinking Water

As the weather warms up please can you ensure that your child has a fresh drink of water with them each day.

Homework

It has been lovely to see the children arrive at school this week all excited and sharing the Brain Builder challenges that they have completed in the holiday.

We really appreciate your support in ensuring your child completes these activities to a high standard and hands them in on time. Thank you.

Sainsbury's Active Kids Vouchers

Thank you for all the Sainsbury's Active Kids vouchers that you have brought in, so far. We really appreciate it as they help us get additional resources for the children. If you, or any of your friends and neighbours have any tucked away, please bring them in as soon as possible.
