

Dudley House School

Newsletter 25th May 2017

Dear Parents

Sports success

Well done to the children who have been excellent sporting ambassadors in various sporting events this term. Our children have been complimented on their good sportsmanship and behaviour whilst competing and we are very proud of them all.

Tag rugby – Despite the rainy conditions the team persevered and really developed their skills and tactics during the afternoon.

Cross country – It was lovely to see the children from class 3 pushing themselves as they completed the cross country course. We were very proud of them all, but a special mention must go to Oscar who came 6th out of the 135 boys competing.

Tennis – Well done to the year 3/4 team who came 3rd in their league and the year 5/6 team who came 2nd in their league and 6th overall. Some very impressive tennis skills were seen.

Daily Mile

We are encouraging all the children to run a mile each day at present and it has been lovely to see children's fitness levels beginning to improve as a result, with some children challenging themselves to complete 2 miles each day. Since we started a few weeks ago children have run over 100 miles between them and are keen to reach the 401 mile target.

Legacy Challenge

Children have all been given a Legacy Challenge to complete to help them improve their fitness and health. Why don't you encourage your child to complete at least one of the challenges over the holiday?

Maths Day

A wealth of mathematical challenges and activities were set during maths day. For more information about these and other activities that the children have been involved in, please see our website latest news and gallery sections or our Facebook page.

Belton Trip

Class 4 had a wonderful day at Belton House learning about life in Victorian times for both poor and rich people, as well as enjoying time in the grounds. Members of the public complimented them on their behaviour and wonderful interaction with other children in the park.

Outdoor learning day

It has been very quiet in school today as children have been busily engaged in a variety of learning activities outdoors from practical maths and problem solving to a walk around Grantham seeking clues about the Victorians and amenities available.

Talent show

Tomorrow we are looking forward to watching the different talents our children have in the talent show.

Swimming

As there is no swimming tomorrow, children should come dressed in their normal school uniform. All children should be collected from school at 12:30pm

Friday Club

Just a reminder that there is no Friday club tomorrow and so children should be collected from school at 12:30pm.

Class Photographs

The photographer is coming to take class photographs on Wednesday 7th June. Please can you ensure that your child comes to school smartly dressed in their full school uniform that day.

Sainsbury's Active Kids Vouchers

If you have any Sainsbury's Active Kids vouchers please can you bring them into school as soon as possible, so that we can send them off.

Future Dates

Please see below the dates for events in next term to help you with your planning. Please note that class 3's assembly date has been bought forward to Thursday 15th June.

And finally just a reminder that next week the children will be on holiday and will return to school on Tuesday 6th June. We hope that you all have a lovely week and that the sun will continue to shine.

Jenny Johnson

Term Dates –Summer 2017

Tuesday 6 th June	- Start of Term
