

Week 5 October 1st

# What are we learning this week?

This term we will be supporting the children's learning through teaching and learning activities based around our topic entitled 'All about me'. This week we will be learning about our senses. The children will be using their senses to investigate different things, with a particular focus on creating different textures. We will also be counting estimating and talking about more and less. All of the children will be completing phonic activities depending on their age and ability with the emphasis being on letters in their names. Some children will be continuing to learn to read and write Phase 2 letters as well as learning to read key words.

***Please can I remind you to make sure all of your child's clothes are named.  
This includes P.E kits, hats, jumpers and coats as well.***
