Dear Parents,

What's Been Happening?

St Wulfram's Church Visit

KS2 enjoyed their visit to St Wulfram's Church this afternoon, as part of their religious education, to enable them to compare and contrast different churches.

Big Battery Hunt

Well done to those children who have already returned used batteries as part of our big battery hunt. The batteries will be counted and entry forms submitted at Easter, so please continue to collect and bring them into school.

Prayer Scroll

The children have written a prayer and added it to a prayer scroll which is currently travelling around the North of England. This scroll is being sent to every Seventh-day Adventist Church in the North of England and is being filled up with prayers and praise to God.

Flying Things

Class 1 have been learning about things that fly and this week are making an airport for their classroom.

Staff First Aid Training

Due to staff first aid training we will not be able to offer after school care for children on Monday 19th March. Please make alternative arrangements for your child as they will need to be collected from school at 3:30pm.
