Dear Parents,

Re: possible reopening of school to pupils in June

We know you have seen in the news that schools **may** reopen on 1 June to nursery, reception, year 1 and year 6 pupils **if** the government thinks it's safe then.

This is a very unsettling time for us all, but rest assured that we're going to be doing everything we can to make sure we are ready to receive some year groups if it's safe for our school to reopen in the coming weeks.

We are creating a detailed action plan that we will share with you as soon as possible so you know what the school's reopening will look like in practice.

I want to reassure you that we are not going to be pressuring anyone to send their children to school. We will keep you updated with all our preparations for making sure the school is as safe as possible, so you can make an informed decision.

However, to help us with our planning it would be useful to know how many parents would like their child to return to school when they are able and how many would prefer their children to stay at home.

In the meantime, the school will continue providing distance learning for all our pupils. We know some employers will be encouraging you to return to work, but we are not in a position right now to reopen for children until we receive further government guidance.

We would like to thank you for your continuous support in helping your child learn at home. We will need to keep going with this for a while yet, so please continue to do what you can and stay in touch and let us know how your child is doing.
