## 12<sup>th</sup> June 2017

Dear Parents,

Children had a busy week last week, learning more about British values, participating in an art day and some in a trampoline festival. During art day, children practised different art skills and created a group collage of a flag, sculpted their own clay tile and started building a 3D model of St Peter's Hill. In the Jump Revolution Festival, children participated in a range of different activities on trampolines and came 5<sup>th</sup> overall.

To see pictures of what the children have been doing, visit the 'Latest News' and 'Gallery' section on the school website or look at the school's Facebook page.

### **Cricket**

This afternoon children have enjoyed learning cricket skills with an experienced cricket coach from Inspire+ who will be teaching class 3 and 4 on Monday afternoons for the rest of the summer term.

### **Class Assemblies**

Class 3 will be sharing their learning in assembly on Thursday 15<sup>th</sup> June at 8.50 am. Class 1's assembly will be the following week on Wednesday 21<sup>st</sup> June. All parents and families are welcome to attend.

### **Sports Day – Tuesday 20<sup>th</sup> June at 1:30pm**

Our sports day is being held next week on the school field starting at 1:30pm. Parents, friends and younger siblings are all invited to come along and support the children as they take part in various sporting challenges.

Entrance is through the main school door from 1:20pm. Afterwards children are free to go home once the sports activities have finished.

### **Mini Olympics – Wednesday 21<sup>st</sup> June**

Our Bronze ambassadors and children from class 3 will be taking part in the Mini Olympics at The Meres between 10:15am and 2:15pm. Parents are more than welcome to attend some or all of the day. Where possible children should be collected from The Meres after the event.

### **Small Schools Sports – Friday 23<sup>rd</sup> June**

We will be swimming as normal and then those children taking part will stay at the Meres ready for the afternoon, while the others return to school. The team will be confirmed shortly and more details given to those taking part.

### **Swimming**

As the children have been quicker at getting changed after swimming and the bus quicker at getting back through the traffic, we have found that we are arriving back at school about 12:30pm. Therefore, we are asking that you arrive to collect your children about 12:35pm, unless they are staying for Friday club.

### **Homework**

It was lovely to see the Brain Builders that class 3 had completed for homework last week. Most had produced some very informative brochures on various countries in Africa and had taken real care with their presentation and were justifiably proud of their work. Thank you for supporting your child's home learning and encouraging them to complete homework to a high standard.

### **PE kit**

Just a reminder that children need their PE kit and plimsolls/trainers in school each day, as during the summer term days for sports activities can sometimes vary.

### **Drinks Bottles**

Please can you ensure that your child has water to drink in school each day.

### **Sainsbury's Active Kids Vouchers**

Now that the campaign has finished, please can you bring in any vouchers you or your family or friends have as soon as possible so that they can be sent off so that we can order extra sports and cooking equipment for the school.

## **Clubs**

The following clubs are taking part this term and will run until Monday 17th July.

Monday	French Club	3:35 – 4:30pm	£3.40 per week
