

Sports Tournaments

Pupils had the opportunity to engage in several sporting events this term. We took part in a Kurling and a Goal-ball tournament. Some of the pupils also participated in a Bisi Badminton festival at KGGS.

We are looking forward to taking part in more sports events and the swimming gala next term.

In the second half of this term we have some exciting things already scheduled. Key Stage 2 will be visiting the 'Biggest Book Show on Earth' at the Doncaster Dome, Class 3 will be going on an expedition to York Viking Centre and The Dig, Class 2 will visit Lincolnshire Life Museum and the whole school will be involved in creating a display for Grantham Museum. Watch out for the next edition of Dudley House School News.

If you can't wait that long, to see regular updates of our news and school events, visit our school website and like us on Facebook.

Dudley House News

February 2018

Flying High with Reading

Our school hall has been turned into a spectacular reading display to foster excitement about books and a love of reading. We think that the whole school have done a fantastic job contributing to all the art work, book reviews, etc. that are brightening up our hall.

Bonjour Ecole Saint Lazare

Pupils proved that distance is no barrier to learning when they took part in a lesson online with children from Ecole Saint Lazare, Le Mans, France. The lesson was conducted via Skype with pupils presenting in French and the French pupils introducing their school in English.

There was also a musical element - Dudley House pupils performed

'Frère Jacques' and the French pupils responded with a rendition of "If you're happy and you know it". The whole event was recorded on video and uploaded to YouTube so the children were able to share the experience later with their family and friends.

People who help

Class 1 have been learning about people who help others. They were visited by our local PCSO, Darren, who explained all about his job, showed them how to talk on his radio and let them dress up in real police uniform. They also had a visit from the local fire department and had a great time exploring the fire engine and finding out more about how the firemen help to keep us safe.

Class 1 shared their learning with parents and friends during their assembly on January 31. It was lovely to see what they are learning and how confident they are sharing their new knowledge.

Stay Safe Online

On Wednesday 7th February, Class 3 presented an excellent assembly, where they shared this term's learning. They performed a short play about keeping safe on the internet, recited poetry about our teeth and digestive systems, shared their amazing textile creations

and read their own versions of the Three Little Pigs. They also played an animation that they had created telling the story of Jesus walking on the water.

Library Visit

Key stage 2 children visited Grantham Library where they were taught how the library was organised and listened to a story read by staff. Children enjoyed exploring the exciting books on offer and learnt how to use the automated check out system as they chose books to take home.

Antarctic Adventure

Class 2 pupils have been learning about hot and cold places and created their own hot and cold habitats. They also used role play to learn about the adventures of Captain Scott and built their own basecamp in class. The drawings and information books they wrote about penguins were amazing.

Heartfelt Prayer

The children were invited to write a prayer to be added to the prayer scroll that is travelling around the North England Conference, which is being filled up with prayers and praise to God by all the different churches.

Class 4 worked collaboratively to capture their thoughts to add to the prayer scroll.

Dear Lord,

We thank you for our school.

We thank you that it is a place that everyone feels safe and cared for.

We thank you for the children, who bring this school to life, and for the teachers who teach us.

We ask that our school will continue to grow and flourish and influence the way we live our lives.

We ask for your protection over our school so that we can continue to share your love with others. Amen
