Newsletter – 14th February 2020

Dear Parents,

What's been happening

Class 4 Assembly – 5th February

Class 4 shared fascinating facts about spiders and flies before acting out the poem 'The Spider and the fly'. The children certainly enjoyed acting out the play written by Miss White and the audience were spellbound as they watched. A superb performance.

Dental Health Visit – Thursday 6th February

Claire and Paula from the 'Dental Health Centre' in Grantham came in and taught the children how to look after their teeth. Children looked at food that was good and bad for their teeth and saw the effects of drinking sugary drinks and fruit juice on their teeth. We hope they have enjoyed using their new toothbrush to brush their teeth.

Swimarathon - Friday 7th February

It was lovely to see most of the school involved on this year's Rotary Club Swimarathon. The children did so well. We were very proud of the effort they put in.

Thank you to everyone who has returned their sponsor money and form. Please can any outstanding money and forms be returned by the Thursday 27th February at the very latest.

Safer Internet Day – 10th February

During the day all the children spent time developing their knowledge and skills so that they can stay safe online.

Class 3 Assembly – 12th February

The children presented a play where they shared many of the facts they had learnt about Viking Life. They also told us about the different teeth we have and taught us how to care for them. They sang in French, a song about holidaying in France and shared some of their other learning from this term. It was a real treat.

Colsterworth Performing Arts Programme

This morning Julia Kerby, Chair of the Colsterworth Performing Arts Festival, came and presented the children with the original art work that some children had created for the front cover of the programme. They were also given the first copy of the programme along with a prize which they generously shared with the whole school.
