

Dudley House School

Newsletter – 22nd January 2020

Dear Parents,

What's been happening

Pizza Express Visit

The children had a wonderful time making pizzas at Pizza Express and learnt many fascinating facts and skills. The pizzas they each made were delicious.

Badminton Festival

Six children from KS2 took part in the badminton Festival at KGGs and had fun learning and developing their skills.

Future Events

Reception and Year 6 Height and Weight check – Thursday 23rd January

Children in Reception and Year 6 will be having their height and weight checked tomorrow.

Chinese Day – Thursday 23rd January

To help children learn about different cultures they will be taking part in a variety of Chinese activities. They also have the chance to eat a vegetarian Chinese lunch.

If you would like your child to have the Chinese lunch tomorrow please ensure that they have bought back their permission slip and £1:50 by Thursday morning.

Big Schools Bird Watch – 27th – 31st January

The children will be looking to see how many different birds visit our grounds next week as well as participating in a variety of bird related activities. Children in class 4 have already created some beautiful bird paintings and sculptures, that you can see on our website or Facebook page.

Class 4 Assembly – Wednesday 5th February

All are invited to find out what class 4 have been learning in their assembly at 8:50am in the school hall.

Swimarathon – Friday 7th February

Hopefully your child will have collected lots of sponsors by now for the Rotary Club Swimarathon that they will be taking part in. Completed sponsor forms need to be brought back to school by Thursday 6th February. Money will be collected after the event.

Remember that children will need to be picked up from the leisure centre that day unless they are coming back to the school for Friday club. Class 1 and 2 children will need picking up from the Meres foyer at 12:15pm and the other children at 12:40pm.

Information

Names in clothes

Please check that your child's name is clearly visible in all items of clothing as it makes it very hard to ensure children have the right clothes after changing for PE, sports activities and swimming.

Swim wear

Please ensure that children have swimming trunks and not beach shorts for swimming lessons.

Trainers

We now have to take shoes and socks off before entering the changing rooms at The Meres and then put footwear on after leaving the changing rooms. Therefore, please ensure that your child has trainers that they can easily put on themselves. Thank you.
