

Dudley House School

Newsletter – 4th January 2021

Dear Parents,

Having just heard the announcement from Boris Johnson that schools must close to pupils tomorrow, we are asking that no pupils come to school tomorrow. This will allow us chance to put necessary arrangements in place to switch to remote learning, as this about turn by the government has come so late in the day. We are so sorry for the short notice and any inconvenience that this may cause.

In order to help us with planning, please can you also confirm by 11am whether you are a key worker and whether your child will need a place in school during lockdown.

We will contact you again tomorrow.

Jenny Johnson
