## Newsletter – 15<sup>th</sup> June 2021

Dear Parents,

### Parents, Teachers and Friends Association (PTFA) - Tuesday 15<sup>th</sup> June

Our next meeting of the PTFA will be held tonight from 7:30 - 8:30pm via Zoom. All are welcome. The Zoom link is being emailed with this newsletter.

### Summer Day – postponed to Thursday 24<sup>th</sup> June

Due to the forecast of rain on Thursday, we have decided to postpone 'Summer Day' until next Thursday.

In the afternoon the children will have a variety of activities outside that involve sand, water and having fun. They will also be having a design a t-shirt competition.

It would be lovely if the children could come to school dressed in shorts and t-shirts and footwear suitable for running around. Naturally, they will need sun hats, water bottles and have had sun cream applied at home in case of hot weather, or a jumper if the weather is cooler.

We look forward to having a good time.

### Amending Summer Term Plans

Following the Government's announcement yesterday that the final lifting of restrictions is being delayed unfortunately we have had to reconsider our planned events for this term.

### Sports Day & Picnic

Following the latest government guidance, unfortunately we will not be able to allow parents to attend Sports Day. The children will still have the opportunity to participate in different races and we will ensure that they still have a wonderful time, but we will delay the family picnic to another time.

### Summer Camp and Summer Performance

We are very sad to advise that these events will no longer go ahead due to Covid restrictions, however, the summer celebration on the last day of term will hopefully still be able to go ahead.

### Summer Fair

Unfortunately, with restrictions still in place for the number of people who are able to meet up, we will be unable to hold the Summer Fair with parents attending. However, we will organise something during the day so that the children don't miss out.

More details will follow once the school council and staff have had chance to discuss this.

### Sun cream

Just a reminder that sun cream should be applied before children come to school and should not be bought into school.

### Face Masks

Finally, I would like to remind parents that face masks should be worn whilst on the school premises. This includes outside the building while dropping off and collecting your children, especially as coronavirus cases are rising again. Thank you for your understanding with this.
