Newsletter – 14th March 2023

Dear Parents,

What's Been Happening

Class 3 Assembly

Last week Class 3 were excited to share their own version of Newsround where they told us about the different things that they had been learning in class. The news articles they had written about, World Book Day, Earthquakes, Chinese New Year, Pollution, RE, etc. were very interesting. They even gave a weather forecast in French. Thank you, Class 3, for a very informative assembly.

Class 1 Trip to Great Wood Farm

Yesterday, Class 1 had the opportunity to visit Great Wood Farm to see the baby lambs and get involved in a craft activity. They had a fantastic time, despite the weather. You can see the photos on the school website under "Latest News", the School's Facebook page or even by following us on Instagram.

Science Day – 14th March

As part of our science day today, the children in Class 3 and 4 had a very energetic, entertaining and informative presentation and workshop from National Grid. They learnt about how useful electricity can be, but also the dangers of electricity and how to stay safe.

This year's theme was connections. Class 1 focused on lifecycles, Class 3 built bridges and Class 4 investigated finger prints.

Future Events

Parents Evening 15th March

Just a reminder that Parents Evening is being held this Wednesday 15th March. If you have not already done so, please come in to book your slot on the sign-up sheet in the reception area.

Easter Service – Wednesday 29th March

All the children will be taking part in our Easter service that you are all welcome to attend at 8:50 am in the school hall. Bring your families and friends.

Quiz Night – New date

Unfortunately, because of the snow, the PTFA Quiz Night had to be postponed. The new date for this to take place is Thursday, 30th March at 6pm. We hope that you can make it. Refreshments will be available.
