Newsletter – 28th February 2023

Dear Parents,

What's Been Happening

Pancakes on Shrove Tuesday

Last Tuesday, Mrs Sellars demonstrated how to make pancakes. The children then had pancake races outside, before eating a freshly cooked pancake with their choice of topping. It was lovely to see the older children helping the younger children race and also try flipping their pancakes. There are some lovely photos on Facebook, on our website - under Latest News, and on Instagram.

Pet Shop Visit

Class 1 enjoyed a visit to a pet shop on Friday where they learnt more about how to take care of pets.

Future Events

World Book Day – Thursday 2nd March

We are looking forward to seeing and hearing all about the book characters the children have chosen to come dressed up as this Thursday.

The children have all been given book tokens that they can swap for a World Book Day book or use it towards another book. I hope they all manage to find something that they will enjoy reading.

No Swimming – 3rd March

Please send the children to school in their normal uniform this Friday as there is no swimming.

Class 3 Assembly – 8th March

Children in Class 3 have been busy deciding what to share with you during their class assembly on Wednesday 8th March at 8:50am. All parents and friends are welcome to attend.

PTFA Quiz night – Thursday 9th March

The PTFA is organising a family quiz night on Thursday 9th March at 6pm where we can meet together and have fun. Refreshments will be on sale.

Information

End of Term – No Friday Club

Just to let you know that there will be no Friday club on the last day of term. Everyone will need to be picked up by 12:45 on Friday 31st March.

Breakfast

It has come to our attention that some pupils have been arriving at school having had no breakfast. The body uses a lot of energy stores for growth and repair through the night. If your child comes to school hungry they can struggle to concentrate and become tired and irritable. When they have sports such as swimming without fuel they find it harder to perform and become exhausted faster. Please ensure that your child has the opportunity and resources to have breakfast.
