Newsletter – 24th May 2023

Dear Parents,

We hope you have been checking out our website, Facebook and Instagram social media to see all that has been happening this term. If not here is a quick rundown!

What's Been Happening

Coronation Celebrations

Our Coronation Celebrations were so fantastic that they made the local press and were noteworthy enough for our local MP, Gareth Davies, to send us a letter about them! If you wish to read his letter, there is a copy on the school noticeboard.

Coronation Afternoon Tea Party – Sunday 4th May

Thank you so very much to the PTFA and everyone who came and supported the celebration. The bring and share tea was delicious and everyone had a wonderful time, especially as the weather was so kind to us.

Allstars Cricket – Thursday 11th May

Class 3 enjoyed developing a range of batting, bowling and fielding skills at the Cricket Festival held at Grantham Cricket Club. They were grateful that rain only hampered their last activity. It is lovely to see their abilities and confidence grow as a result of taking part in these sports events.

Tennis Festival – Wednesday 17th May

The children in class 3 spent a very active afternoon at Grantham Tennis Club developing their tennis skills through a variety of specially designed activities, before taking part in some mini-matches against children from other local schools. Well done Class 3.

Social Media

As well as events, we also try to showcase some of the children's work and projects they've been doing in the Afterschool Clubs on our social media. As well as photos of all the above, there are some fantastic art and craft from Mental Health week and details of what they have been up to.

Future Events

Class 3 Assembly

Due to several class members being absent this week, we have postponed Class 3's assembly until Thursday 15th June. We hope that you will all be able to make this new date.

End of Term

Our last day this term is Thursday 25th May and we shall see you all again on Tuesday 6th June.

Ask Dan Anything for Parents 14th June 2023 6-7pm FREE

Over two thirds of students surveyed in the LSCP 2022 Keeping Safe Online Survey indicated that they access their devices once they have gone to bed, and that many parents and carers don't know anything about what they do online. The survey also showed when parents talked openly to their children about their activity online, those students were less likely to experience cyberbullying and more likely to access support.

In order to provide you with the information and tools to help you feel confident enough to protect your children from online harm, Dan Hawbrook, Lincolnshire's Online Guru, will chat you through different apps, online trends, parental controls and any other burning questions you may have!
